

MECKLENBURG AREA CATHOLIC SCHOOLS

Exciting News!! Starting June 1, 2020 the After School Enrichment Program (ASEP) will be online through the FACTS billing system, which is currently being used for tuition payments. You will use the same log-in that you currently use to access your FACTS Tuition Management account.

The registration fee is \$60 per family. In order to assure your child/children a place, it is important that you register by August 03, 2020. If you register after August 03, 2020, you will receive confirmation when space is available. Beginning June 1, the online registration form can be found by logging into the enrollment portal at discovermacs.schooladminonline.com and navigating to your child's checklist.

Once you submit the form, the MACS Business Office will add the registration fee to your FACTS tuition account. Please note that the payment will appear under the Incidental Expenses section and will not process automatically. You will receive an email with further instruction on how to make the registration fee payment once the fee is uploaded to Incidental Expenses. ***This fee is non-refundable and must be received for your child/ren to be considered registered in our program.***
